

A FLOURISHING COMMUNITY

In FSD, we think about the whole system, and how our everyday actions create the conditions for our students, staff, and surrounding communities to flourish. By frequently reflecting on our practices, and celebrating our progress, we are effectively stewarding the assurance that education truly = is at the centre of a flourishing community.

SUCCESS

- Deep, transferable and future-ready learning
- RTI literacy groups, consistent reading approaches and CRC partnership support every reader
- Conceptual understanding, student agency and complex problems shape meaningful learning
- Maker-centred learning, digital literacy and real-world experiences build future-ready skills
- Indigenous perspectives, authentic learning and land-based opportunities remain priorities.

SUPPORT

- Responsive care for every learner
- Conscious Discipline and Reclaiming Our Students strengthen relationships, regulation and belonging.
- Universal, targeted and individualized supports respond to academic, social, emotional and physical needs
- Collaborative Team Meetings coordinate student-centred instruction and timely interventions
- Parent communication builds understanding of learner growth and available supports.

ENGAGEMENT

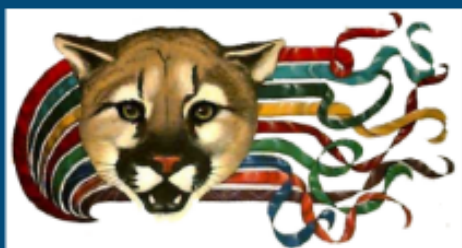

- Student voice and leadership through Cougar Teams, Student Matters and school-wide "superpower" learning
- Stronger family and community partnerships through School Council and local organizations
- Clear, consistent communication through weekly updates, newsletters, social media and feedback loops
- Literacy data cards and stakeholder evidence guide decisions and next steps.

2026-2027 PRIORITIES IN ACTION

- Build literacy intervention groups from current assessment evidence
- Expand student leadership, maker learning and community connections
- Strengthen land-based learning and culturally grounded experiences
- Celebrate progress and close the feedback loop with families and partners
- Use the Dare to Care anti-bullying program for all of our classes

What do the numbers tell us?

- 82% of parents feel that the learning engagement is high.
- 90% of parents feel the school is safe and caring.
- 87% of students feel they have peer relationships.
- 95% of students feel that the teachers have high expectations.
