EVERY HUSKY BELONGS.
EVERY HUSKY THRIVES.

At Heritage Heights, relationships are at the heart of everything we do! Our strong culture of care is reflected in student voice, with 90% of students reporting a safe and caring environment and 88% identifying positive peer relationships. We are building on these strengths by ensuring every student feels seen, valued, and supported.
Through our Student Success Team, Minds Matter Coach, social-emotional learning, Circle of Courage teachings, and restorative practices, we are strengthening a coordinated approach to student well-being and success. By listening to student voice, collaborating with families, and responding to emerging needs, we are creating a learning environment where belonging is more than a feeling — it is an everyday experience.
Our goal is simple: Every Husky has a place, a purpose, a voice, and a genuine sense of belonging.

BEYOND THE CLASSROOM.
BEYOND EXPECTATIONS.

Learning comes alive at Heritage Heights! From our Husky Method Hockey Program, athletics, performing arts, and student leadership to innovative Shark Tank entrepreneurship projects, our Huskies discover their passions and apply their learning in meaningful ways. Strong family and community partnerships, including our Parent Council-led playground enhancement project, make our school an extraordinary place to learn and grow. Whether leading, creating, competing, or celebrating together, Husky Pride is everywhere! At **Heritage Heights, students do not just participate — they lead, contribute, and flourish!**
